

Retirement Application Builder for Defined-Benefit Plans

This Retirement Application Builder is used to gather the necessary forms needed to apply for your retirement benefits.

First select your options from the questions below, then click on the links provided at the bottom of the page to download the forms.

While the forms are available online, you are still required to print them, fill them out, and mail them to the [SURS office](#) [1].

Please note: A complete application should contain all of the following parts.

- **Retirement Application** - Complete with original signature.
- **Insurance Form(s)** - See options below to determine which forms are required for you.
- **Tax Form** - All U.S. Citizens and Resident Aliens will default to Married with three allowances if the tax form is not completed and returned to SURS.

Please Select Your Options Below
