

Virtual Retirement Education Seminar (For Tier II Members)

Posted:

April 30, 2018

This virtual seminar is appropriate for Tier II members who are considering retirement.

Members who originally began contributing to SURS on or after January 1, 2011, are Tier II.

The seminar includes a general SURS overview presentation, a Social Security presentation and two different presentations on insurance benefits after retirement.

Please chose the video that is appropriate for you based on your employer. One presentation is for State Insurance (university employees) and one presentation is for the College Insurance Program (community college employees).
