Payments sent electronically to your bank (direct deposit) will be available on the pay date. Direct deposit allows your benefit payments to get to you faster and safer than paper check delivery. To sign up for direct deposit, complete the [Authorization For Deposit of Recurring Payments](#) ^[1] form, and return the completed form to SURS via U.S mail. You will need to include a personalized voided check or deposit slip with the form.

If you receive your annuity check by mail, please allow five working days for mail service delivery. If you do not receive your check within five working days, call SURS toll-free at 1-800-275-7877. If the check has been cashed, SURS will send you a copy of the cashed check. If the check has not been cashed, SURS will process a stop payment on the original check and request a replacement check. The replacement check will be mailed in seven to 10 days. If the original check then arrives in the mail, do not attempt to cash it, as it will be invalid.
