

Real Assets Investment Searches

Posted:

February 6, 2019

Callan, on behalf of the State Universities Retirement System (SURS), is requesting information from qualified firms interested in providing real asset investment services, which are limited to private real estate and infrastructure. All information and required documents are available on Callan's website (www.callan.com [1]) and on the SURS website (www.surs.org [2]).

Callan expects to make investment recommendations to SURS throughout the year using information gathered via the process described in this document. Information and documents on the website may be updated and revised over time and it is the responsibility of interested parties to check for updates.

Please review, complete and submit the documents below as instructed.
