Annual Report, Valuation Report & Investment Plan

Annual Report [1]

SURS is required to provide participants and benefit recipients with financial statements, including the report of the independent auditors regarding those statements.

Actuarial Valuation Reports & Experience Studies [2]

The valuation reports provide information on the funding status of SURS and include a determination of the State contribution level. The experience study compares actual experience to expected experience based on information for the period from June 30, 2006 to June 30, 2010.

SURS Investment Plans [3]

The Investment Plans review the results of each fiscal year and define the strategy for the new fiscal year in accordance with the Board-approved asset/liability study and Investment Policy.

General Information

Corporate Governance [4]

Corporate governance policies, proxy policy statement, and quarterly issue summary reports.

Investment Committee [5]
