UNIVERSITY EMPLOYEES ONLY

You must annuitize your entire SURS SMP account to be eligible to enroll in health insurance. Additionally, when annuitizing if your account balance is not sufficient to pay a monthly amount you will not be eligible for health insurance. Employees of City Colleges of Chicago are exempt from this requirement. You must choose a Joint & Survivor Annuity for your spouse or eligible survivor to remain eligible for insurance at your death.

State of Illinois Insurance

Pages 3-4 pertain to members of the State Group Health Plan. To be eligible for this plan, you must have at least five years of service credit with a state university or an agency of the state of Illinois (for example, Dept. of Corrections). Note: Community Colleges are not state agencies.

MEDICARE INFORMATION

Members and/or dependents under any form of state health insurance who turn 65 OR retire on or after July 1, 1992, and are eligible for premium-free Part A of Medicare, will have their state medical benefits reduced if they do not enroll in Part B of Medicare.

To avoid additional out-of-pocket claim costs, we strongly suggest you enroll in and retain Medicare Part A and Part B for yourself and eligible dependents. Please submit a copy of your Medicare card showing dates of coverage for yourself and each eligible dependent.

If you have received notice from Social Security that you and/or your dependents are not eligible for premium-free Medicare Part A, send a copy of that notice to SURS along with your retirement application.

If enrolled, Medicare will become your primary insurance at retirement. Your state insurance will act as a secondary insurance to Medicare.

If you have any questions regarding Medicare, contact the Medicare COB Unit at 1-800-442-1300 or 217-782-7007.

ATTENTION: STATE OF ILLINOIS GROUP INSURANCE PROGRAM PARTICIPANTS

On Jan. 13, 2012, Public Act 097-0668 was signed into law. This law requires that all retirees must complete and return a State of Illinois Group Insurance Program Participation Election Form to the State Universities Retirement System (SURS).

Please complete, sign, and return the following form to SURS along with your retirement application to avoid a delay in your enrollment in the State Insurance Program. Failure to return this form within 30 days of your annuity begin date could result in the termination of your State Insurance Program participation.

This law does not apply to the College Insurance Program. If you are enrolled in the College Insurance Program, you do not need to complete this form.

State Employees Group Insurance Participation Election Form

NOTICE: COMPLETION OF THIS FORM IS REQUIRED. It must be returned to the State Universities Retirement System (SURS) office in order to establish your eligibility on the MyBenefits website.

Eligible members who have completed the vesting requirement of qualifying service as a Tier 1 or Tier 2 employee may elect to participate in the State Employees Group Insurance Program at the time of their retirement. Participation in the state health/dental program is **optional**.

Eligible members electing not to participate in the state health/dental program are eligible to participate at a later date by enrolling during the annual open enrollment period or upon experiencing a qualifying change in status event that allows a member to enroll. Members will still be eligible for and enrolled in the state life insurance program through MyBenefits.

MyBenefits is a customized website just for you, and you will be required to register on the website using information pertinent to you for self-authentication. Once registered, you will be provided your CMS-issued Employee ID Number (EIN), which you will need whenever you log on to this site.

Please make an election

- I elect to participate in the State Employees Group Insurance Program. SURS will transfer my insurance eligibility to MyBenefits. MyBenefits will notify me when I have an enrollment opportunity available on its website.
- I do not elect to participate in the State Employees Group Insurance Program.
- I am not eligible for or enrolled in Medicare and wish to enroll in the Opt-Out Financial Incentive Program. By enrolling in the Financial Incentive Program, I will receive \$150 per month (*less than 20 years of service*) or \$500 per month (*20 or more years of service*). I understand I will be enrolled with life insurance coverage only.
 - The Financial Incentive packet is attached
 - Please send me the Financial Incentive packet
- I am currently enrolled as a dependent** on my State-covered spouse’s or civil union partner’s health, dental, and vision insurance coverage **for at least one year**, and therefore, qualify to remain on my spouse’s or civil union partner’s State insurance as a dependent. I understand that waiving my coverage as an annuitant to remain a dependent of my spouse or civil union partner will mean that the only coverage I will have as an annuitant (member) will be life insurance coverage.
